Tour of Ridgewood Reservoir

Saturday, August 21 / 9:30am

58-2 Vermont Place, Glendale, (Queens) NY 11385

(Meet in the parking lot)

\$25 AIA Brooklyn, AIA Queens members, \$10 children under 12, \$30 AIA members (non-Bklyn/Queens), \$35 non-AIA members

Join us for a tour of the Ridgewood Reservoir led by NYC H2O who has been leading a coalition of community groups to protect and preserve the Reservoir. They educate New Yorkers about protecting the city's local water ecology and encourage advocating for responsible public policy. They promote science-based knowledge of New York's local ecosystems and what is needed for urban water resilience in a time of escalating climate change impacts.
